HOLIDAY GIFT IDEAS FOR BOATERS & ANGLERS

HOLIDAY GIFT GUIDE

CLASSIC CREW JACKET

The new Oll Crew Jacket has been styled with a fresh contemporary look and comes with a broad selection of new colors. It is made from a soft-handle waterproof and breathable 2-layer fabric. It features a drawcord hem and cuff adjusters, an anti-pill fleece lining for warmth, and zippered hand and sleeve pockets, as well as an internal chest pocket. Its fully taped seams provide a waterproof seal. A new women's specific design is also available. Men's colors/sizes: Navy, Silver, Graphite; XS-XXL. Women's colors/sizes: Graphite, Silver; 6-14.

MSRP \$150 // www.giltsa.com

RUGGED, WATERPROOF WATCH

The rugged Ricoh WG watch offers a compelling design that is available in black, orange, or blue. It features a stainless steel backing, a stainless steel, rotating bezel, and a sapphire glass face that is extremely durable, while providing exceptional clarity.

It is waterproof, which makes it suitable for water sports, has bright LED lighting for nighttime use, and has a vibration function that serves as an alarm indicator. The WG watch comes enabled with inductive charging that allows the battery life to last at least one month with a full charge.

HEATED CHAIR ADD-ON

The Chahell Heated Add-On is a cordless, battery-powered chair slip-on that can turn any chair into a warm seating space. The unit uses cordless carbon fiber non-wire heating elements throughout the unit for safe low-voltage heating. The unit is lightweight, portable, and can be folded for easy storage and carrying.

The patent pending technology offers four temperature settings and heats up in less than 20 seconds. The lithium-ion rechargeable battery provides up to six hours of heat per charge and lasts for more than 500 uses. Its rugged, yet comfortable fabric is designed to be fire- and water-resistant.

24 B&B | November/December 2014

ELECTRIC ICE AUGER

The StrikeMaster® Lithium Laser auger can cut 56 holes through 2 feet of ice on a single charge. It uses a removable 50-volt lithium ion battery to provide consistent speed and torque without reduced power.

Fitted with twin 8-inch, stainless steel Laser Blades, the unit weighs only 24 pounds.

The auger has an on-board indicator for easy battery level checks and comes equipped with a fast-charging, two-hour, two-amp battery charger. An over-sized throttle makes it easy to operate with gloves on, while its high-impact handles ensure comfortable operation.

There's a limited three-year warranty on the motor and a limited one-year warranty on the battery.

BOAT SHOE FOR MEN

The Justin is a classically designed men's boat shoe with raised seam detailing and stitching, heel tab for easy on/off wear, and soft, water-resistant leathers and materials.

The shoe incorporates the Aetrex "Healthy 3" elements: built-in orthotic support, memory foam board, and microbial Aegis® lining to prevent odors. These boat shoes are actually good for your feet.

The Justin features a slip resistant outsole and a tread pattern that channels liquid away from the sole. Available in dark brown or tan, in sizes 7-13, 14.

\$119.95 // www.aetrex.com

MODERN THERMOS

VinVaggo is a modernized canteen that's perfect for bringing hot or cold drinks on board. It keeps drinks ice cold for 25 hours or hot for 12.

The thermos has two flat sides for easy carrying and pouring, and its tapered top design will fit into most cup holders. The container's wide mouth makes it easy to fill with liquids, and it will also accommodate ice cubes. It holds 25 oz. or 750mL, equivalent to a full bottle of chardonnay.

Available in powder coated white, black, and stainless steel.
